Tom and Kathy met 55 years ago at the Golden Age Center in Cleveland, Ohio. (Kathy always points out that Tom is much older than she is). She was a summer intern; Tom was manager of the Cleveland Metro Housing Authority senior housing complex.

Tom worked 42 years in the public housing, retiring as the Executive Director of the Fort Wayne, Indiana Housing Authority. Tom served on local, state and national housing committees. During his career he was an advocate for residents and received an award from the Indiana Resident Council Association. He is a Deacon in his church, was a member of the United Way Social Services Council and a board member of the Boys and Girls Club.

Most of her working life was with not for profits including Promised Land Employment Agency as a counselor and office manager and finally as Director of the school age child care program for the

Salvation Army in Fort Wayne, Indiana. She was a member of the Indiana School Age Conference and the Quality Education Committee serving as chairperson for two years,

Working for not for profit agencies, Tom and Kathy understand the need and value of volunteers. Both volunteer with AARP as members of the Middle Tennessee Leadership Team, working on the Member Value, Caregiving and Livable Communities sub-teams. They also assist with the Veterans and Fraud Watch sub-teams.

The State Health Insurance Program (SHIP) is also a program that they feel strongly about. They help people who are new to Medicare, checking their current policies during open enrollment, who are

having trouble paying for their medications, or applying for state aid. They also help with the state commodities program in three counties.

His passions include working with underprivileged families and underserved youth and young adults, and he often serves as a liaison between the disenfranchised and the systems and services designed to serve and empower them.

Mr. Brown earned his Bachelor of Science Degree in Criminal Justice from Tennessee State University in 1993, and his Master's Degree in Educational Administration and Supervision from Tennessee State University in 2006. He is married to the former Sharon Jones and they have two children Erin and Tyler

Lois & James Scroggins

True Democrat Award

I would like to introduce you to the 2017 Jerry Colley True Democrat Award Recipient, Irma Cotton. Irma is a Tennessee native born in Dickson County Tennessee. She was born at home as were her siblings, which was common practice at the time. Irma attended Dickson County Schools and graduated from Dickson Central High School. During her junior and senior years she was a care giver for her grandparents. Upon graduation, Irma went to work at Genesco Inc., a shoe manufacturer in Nashville. It didn't take long for Irma to know this was not a good fit for her. Irma then landed a Civil Service job in Smyrna as a stenographer and attended Nashville Business College. When she finished business school she went to work at Vanderbilt in the Department of Nursing again doing

work as a stenographer. During this time she met Robert and they were soon married. Irma has literally lived from coast to coast and places in between. On the East Coast she lived on Long Island and on the West Coast in California in several locations before returning to her roots in Tennessee. Irma has two daughters and two grand children all in Tennessee. Her joys are cooking, gardening and MSNBC. As a life long Democrat Irma has been a strong supporter of Democratic Candidates but became active in the party in 2004 when Wanda Pigg brought her to her first Maury County Democratic Party meeting. Some of her favorite campaigns were Al Gore, Harold Ford Jr. and Barack Obama. At 94 Irma is still active (thanks to Planet Fitness) and fighting the good fight to turn this state blue again!!

As a teacher, a mother and an active leader in my church and community, I know what it takes to make communities successful. It is the people who work hard to put food on the table, who want to take care of their families when they are sick, and who hope to create a better life for their children than they had.

In order to change the way Washington works, we need to change the type of people we send there. We need people who will stand up against divisiveness and bickering and focus on solving problems.

Let's Change the Conversation in Washington. I am working hard for the hard working people of Tennessee and I want to represent you in the 4th Congressional District. Our government should be Of the People, By the People, and For the People.
